### **Managing Final Expense Profitability**

In managing life products, especially small face life products, mortality is the biggest factor in achieving profitability and expected results. Tiny improvements in execution can mean big increases in profitability when you sell large volumes of small policies. Are you managing every aspect of this process?

This annual workshop includes detailed presentations covering all areas of final expense administration, management, and marketing. Attendees learn from industry experts, case studies, and discussion with peers at other companies, and have ample time for networking with fellow attendees and vendors interested in working with final expense companies.
