

LOMA Designee Recognition

To celebrate new designees across the globe, LOMA has decided to continue its special annual outreach communication recognizing the achievements of FLMI and FSRI designees from the previous year. Each fellowship cohort can look forward to an exclusive webpage for new designees, personal acknowledgment from LOMA senior leadership, and an annual celebration video that new designees can share publicly.

In addition, LOMA's CEO will send a personal message to the senior leadership of each designee's organization highlighting their accomplishment. Designees will also see their name displayed in our annual list of new designees, which will be housed on the celebration webpage.

As an Ed Rep, you'll have access to a press kit of communications and resources that you can use within your company to help celebrate your organization's new designees.

This special outreach will occur in the first quarter of each year in recognition of the previous year's designees. Ed Reps and designees should be on the lookout for messages in their inboxes and on LOMA.org for more information during that time.

We are committed to recognizing the great work you and your employees do for our industry! If you have any questions, please feel free to contact us at education@loma.org.
