Industry Advantage

Strategic Leadership Experience

Build expertise to lead your organization

Developed in partnership with **Wharton Executive Education**, the Strategic Leadership Experience focuses exclusively on top-of-mind issues facing our industry today — including key industry trends, critical thinking and decision-making, operational excellence, and mergers & acquisitions.

This nomination-only program equips assistant vice president and vice president leaders with the knowledge and skills needed to continue to transform the annuity, life insurance, retirement, and workplace benefits industries. For more information contact your HR department or reach out to facilitatedlearning@loma.org.
