

CLEAR Health Pass Instructions for LIC Meeting Participants

[Click here to view our COVID protocols](#)

As part of the entry requirements for LIC's in-person meetings, all attendees must show the green CLEAR Health Pass as proof of either **full vaccination** against COVID-19 or a **negative COVID-19 test** within 48 hours of arrival to pick-up your conference credentials.

LIC has partnered with the CLEAR Health Pass App to provide free, secure, and private proof of your vaccination or test result. For the most efficient entry possible, all attendees need to sign up for CLEAR, complete their health screening before arriving, and be prepared to show the Health Pass on your smartphone upon arrival at the meeting.

CLEAR is Safety Act Certified – as certified by the U.S. Department of Homeland Security. LL Global, Inc. (LIMRA and LOMA) **will not** have access to your information. We only see the green light telling us you have successfully submitted your COVID-19 vaccination information or a COVID-19 negative test within 48 hours of arriving to the conference.

Instructions

To get started, download the CLEAR app on your phone and enroll for free. You can find the app by searching the App Store on iPhone or Google Play on Android.

1. Open the CLEAR app and tap the white Health Pass tile
2. Select "Have a code" and enter the code **AVENTRITEST48**
3. Easily enroll and verify your identity with a quick selfie
4. Follow the prompts to verify your vaccination status **or** negative COVID-19 test (within 48 hours)

Troubleshooting

- If the expiration date posted at the bottom of your Green page is prior to your arrival at the conference, it will automatically change to a later date before you arrive.
- If you previously downloaded the CLEAR app, please note that you will not be able to find the name of our conference within the app (we are using the app for multiple conferences). Instead, you will need to click "Get Started," tap "Have a code?" and enter the access code **AVENTRITEST48**.
- If you were vaccinated outside of U.S., please bring a copy of your vaccination or negative COVID test documentation.

If you have questions, please contact Joan Orentlicher, AVP Meetings, Conferences and Travel, LIMRA and LOMA, orentliche@loma.org / (770) 984-3714.
